A word from our **GREENKEEPER...**

JESSE VERSTER

Hi everyone, it's been a very difficult week for our staff on the course. Both our rough machines and bunker machines were down so we could only cut the fairways. We've had a lot of rain and more to come but the greens are nice and bunkers were also out of play. This week we are starting to make some changes on the course, we are leveling some humps, closing some bunkers and creating gentle humps. All of this is being done to help the tractors to be able to cut around the green. Some bunkers are always under water, less maintenance. It will look nice after we finish. Till next time... Cheers!
