A word from our **GREENKEEPER...**

JESSE VERSTER

Hi all. Wow! So much rain, but all the courses have been hit. Our golf course was closed for 2 days. Its been very difficult to cut and do our job in between the rain but we are slowly catching up. Some fairways and rough are still difficult to cut and more rain is predicted over the next 10 days.

We are putting in extra sand into the bunkers and our bunker machine has been down but almost ready. The greens are coming on, just picked up a bad disease on number 2 and 3 and here and there on some others. We have sprayed and hoping to improve those greens. Just bear with us as we are cutting overtime to catch up. Cheers!
