A word from our **GREENKEEPER...**

JESSE VERSTER

Hi everyone, looks like summer has finally arrived. We are battling to keep up with cutting fairways and rough due to the rain, but we will climb in this week. As you all can see, we have done some of our greens with our solid tining and with the sand on, the greens are a bit slower. This will improve over time. Bunkers were done and we will do them again this week. Enjoy the week and support your club... Cheers!
