Marco Pallini**

# Junior Golf Clinic

The PSCC Junior Golf Clinic was initiated by the Provision group and after a while was provided funding by the KZN Golf Union for a development program. Over the past year, our juniors have been attending every Saturday from 9 to 10am for quick tips and lessons and a play session. Our total attendance is 87 kids and we average on about 28 kids every Saturday. Our goal is to educate them about the basics of golf and to give them an opportunity to play the game so that they can one day develop into fully fledged golfers. We have a team of guardians that come together to assist the kids, our team includes Wynona & Howard Crouch, Morris Moodley, Sew Ghingai, Colin Nel, Wesley and members that volunteer to assist on certain Saturdays. Please bring your kids along for this amazing opportunity as the 1 hour session is free and we also have a kiddies play area for the much younger ones. We would also appreciate the assistance of parents & members with the kids. Contact Howard on 073 205 8796 for more information. Every Saturday at 9am, if rescheduled or cancelled, it will be communicated on our group chat.

# A word from our GREENKEEPER...

## JESSE VERSTER

Another week gone by and the course is in good nick. The greens are starting to grow fast now and the greens will start getting slower due to the summer growth. Our new tractor with the rotogang cutter is really working the way we expected. It is scalping as you would have noticed, slowly and slowly, the fairways will level out. Small steps but good ones. We have also started widening our fairways. We are in the discussion of maybe getting another tractor combination for the rough, we will decide in the next couple of days. Going the tractor route has been a financial decision, cost saving, lower repair costs and less fuel. Hope you all have booked for the Beekman Classic, its going to be a blast! Support your club... Cheers!

***THE RUSTENBURGERS JOINED US LAST WEDNESDAY. A LOVELY GROUP THAT PLAYS HERE EVERY YEAR. THEY WERE VERY HAPPY ABOUT THE SERVICE THEY RECEIVED AND WILL DEFINITELY BE VISITING US NEXT YEAR!***

# A word from our Mens Golf Captain...

## ***HOWARD CROUCH***

This past weekend we held a very successful KZN Golf Union Interclub 2024 event. Thank you to everyone that came together to ensure the smooth operation over the 3 days. A special thank you to MakMoer Clothing & Apparel for sponsoring our 2024 Interclub shirts! Congratulations to our Frog Team that came 2nd in the Alliance comp!

---

### ***Slow play in golf... Why is slow play a problem?***

Slow play can disrupt the pace of the game, increase frustration and affect the overall experience.

Common causes of slow play are over-analysis, lack of preparation, distractions, and inexperienced players.

Here are a few tips to improve your pace of play: Prepare in advance, keep up with the group in front, take your time but not too much, be mindful of your surroundings, practice good etiquette.

If you are playing with a slow golfer, politely mention the issue, offer help & guidance, let them know you're willing to play through.

Remember, pace of play is a shared responsibility among all golfers. By being mindful of your own pace and respectful of others, you can help create a more, enjoyable experience for everyone on the course!
