Kiara Naicker A RISING STAR IN GOLF!

Our future golfing star, Kiara Naicker has made Port Shepstone Country Club so proud! At only 14 years old, she has shone brightly at the prestigious Steyn City Tournament, delivering a phenomenal nett 66 to claim the overall title.

She was also awarded for the best average score and the most points accumulated in the highly competitive SA Kids League!

Well done Kiara! Port Shepstone Country Club supports you and wishes you all the very best for your future!

Kiara has started her golfing journey only 2 years ago with us at Port Shepstone Country Club with the junior development program and she has made waves with her exceptional skill and determination. She is a fine role model for many junior athletes and golfers as she aspires to join the LPGA Tour and we are very sure that she will achieve all her goals!

A word from our **GREEN KEEPER**

JESSE VERSTER

Hi all. We're finally in December and yes the grass is growing faster than we can cut, we hope to catch up this week. We will be aerating our greens with a 8mm tine which has to be done atleast every 40 days to allow air to get into the holes. We are also dropping our cutting height so the greens will get faster. Our tractor for the rough has not arrived due to some delays. Until next week... Cheers!
