

Port Shepstone Country Club

HELLO, NOVEMBER!!!

SUMMER IS APPROACHING

As we step into November, we welcome hints of summer as our beautiful trees on the golf course have started to bloom! We've had a few episodes of spring rains with more to follow this week so make sure you stay safe and be very careful on the roads! But just remember, Spring is a reminder of how beautiful change can be!

Busy Times Ahead!

Just as our surroundings are blossoming, so are our upcoming events at the club. We have a lot to look forward to, some of which include golf days, springbok rugby, and even something fun that Port Shepstone Country Club is going to be hosting for the first time! Stay tuned... 🤔

SHEPPIE PADEL CLUB

HAPPY 1 YEAR ANNIVERSARY TO SHEPPIE PADEL CLUB!

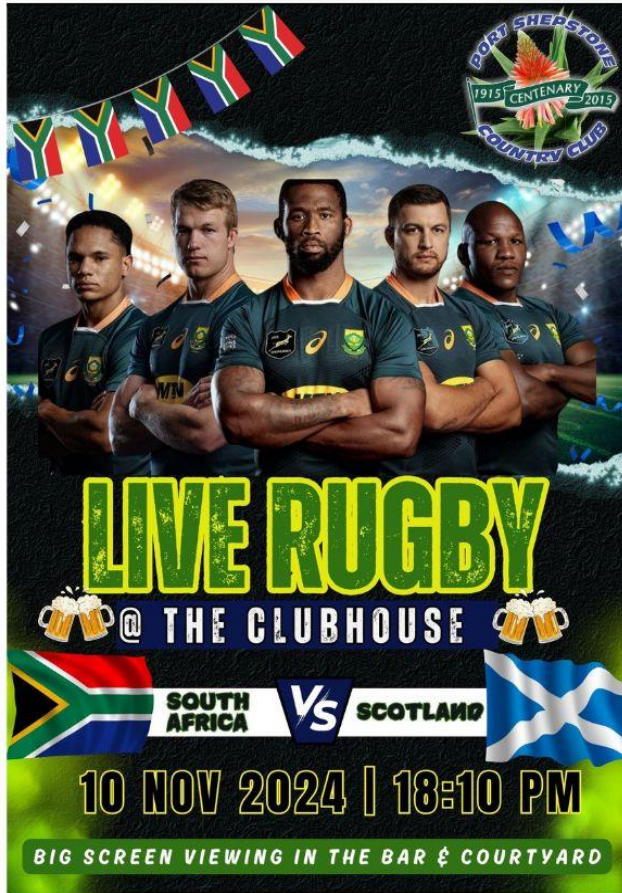

As you may have seen, passing the padel courts, something else appears to be going on and it's not another padel court but its **TWO PICKLEBALL COURTS!!!** Whilst the weather has been interruptive lately, we have been waiting patiently. Construction has finally made progress and soon we will have yet another new sport activity at the country club. Get your shoes and hats ready!

This is an extra special time for us as we celebrate our 1 year anniversary on the 5th of November. It has been amazing being a part of Sheppie Padel Club. For Sheppie padel, it feels like a newborn, seeing the world with new eyes. There's so much to learn, eager to explore various things, making rapid developments and we hope it will grow a lot more in the years to follow. Thank you everyone that has supported us and Sheppie Padel Club!!

A word from our GREENKEEPER...

JESSE VERSTER

Hi all, another exciting week gone by. As you can see, we have started scalping the fairways, it will start looking better as we keep on cutting. Thanks to Johnny and his Beekman Classic, he raised all the money to buy another tractor. This one will be replacing our rough mowers that are too expensive to keep going. We will be selling one of them and the other to be on stand by. In this month we will be doing our mini spring treatment. I will let everyone know when it will commence. Bunkers will also be done, I know they are a bit hard but overall the course is fine and I am sure with summer starting, it will start to look even better. Support your club... Cheers!
