FINALLY OPEN!!!

Our Pickleball Courts are now open and ready for action! The official opening was on the 7th, last Saturday and we had a few groups try it out and they had a blast! We do have coaching available for Padel & Pickleball so make sure to check it out and give it a try!

A word from our **GREENKEEPER...**

JESSE VERSTER

Hi everyone. Our tractor has finally arrived and cutting great. So now we are able to cut the rough & fairways with the tractors. The greens are running much better , but you will notice that the heat is hammering them (burning). We have finished aerating the greens, we will be redoing the bunkers with the plough to soften them this week. Until next week... Cheers!
