JANUARY GROUPS

SMOKING ACES

We were given the absolute pleasure of hosting 2 awesome groups from Durban in January. The first being Wesley Struwig and his group of 8 players (Smoking Aces) on the 17th and the second group was the vibrant Nat Govender and his crew of 39 players (Toyota Golf Society) on the 31st.

We are so grateful for the continuous support of these wonderful groups that join us every year!

**A WORD FROM OUR
GREENKEEPER...**

**JESSE
VERSTER**

Hi there everyone.
Spring treatment has been done and greens have really come on. Sorry about the slow greens we had but that will always happen due to sand and fertilizer that improves growth. Our bad patches mainly on no. 11 and 15 have now been planted with new plugs and is still ongoing. This will take a while before that heals. We did aerate the greens last week with 8mm solid tine. We are setting the rough mower a bit higher so that you can see what's rough and what's fairway. We are catching up with weed-eating and we have just finished with bunkers. We have ploughed and cleaned all of them. Please fix your pitch marks, if possible.
Till next time ...cheers
