## **PSCC JUNIORS TEE OFF AT THE SOUTH COAST SCHOOL GOLF LEAGUE**

Port Shepstone Country Club Juniors stepped up their game this past Friday afternoon as other schools also joined in for the first edition of the South Coast School Golf League held at PSCC. The South Coast High Schools have created a league to encourage enthusiastic students that are keen on golf to pursue their interest and skill and also learn more with their fellow golf enthusiasts.

Some of the schools that are a part of this venture are Suid Natal, Sheppie High & Creston College and we urge more schools to contact their coaches and join in.

11 PSCC Junior members joined in with the rest of the field of 31 junior golfers. We are extremely proud of all participants for showcasing such confidence and skill and for their willingness to learn more. Well done champs!

## DECADE OF DUSI FOR PADDLER

Ayrton Barron of Sea Park & a member of Port Shepstone Country Club reached a major milestone in his paddling career after completing his 10<sup>th</sup> Dusi Canoe Marathon. Barron partnered with Margate's Dylan Bense in the 75<sup>th</sup> edition of the gruelling race from Pietermaritzburg to Durban. The pair finished 57<sup>th</sup> overall, clocking a time of 09:53 in the K2 category, among 210 boats that completed the demanding 3 day, roughly 120 km race.

Barron's 10<sup>th</sup> finish is particularly significant, as completing the race 10 times earns paddlers a permanent green number - a prestigious badge of honour in the iconic event. Even during the COVID-19 pandemic period, Barron remained committed to the challenge, to keep his record intact.

In 2024, Barron & Bense claimed a silver medal for a top 50 finish when they were placed 48<sup>th</sup> overall - another highlight in their growing list of achievements at one of South Africa's toughest endurance races.

Also tackling the demanding race and finishing a commendable 87<sup>th</sup> overall and fourth in their division, are PSCC Canoe members, Simon Heaver & Patrick McNeil.

They finished in 10:52, and came first in the 60 to 64 age group. The South Coast Paddlers have been steadily improving their performance over the years and regularly feature among the stronger finishers in the event.

*Congratulations*

INDEPENDENT GOLF REVIEWS

“I love these senior citizen discounts.”

Hi there. It has been very hot and dry with no rain. The greens are taking a bit of strain. We have started aerating the greens again with 8 mm solid tine to help them by releasing toxic gases from beneath the ground and letting oxygen get into them. We have finished with our bunkers and new sand has been put in them. Some of our tee boxes will be leveled this week.

Till next time...cheers!
