# CRESTON COLLEGE GOLF DAY

SATURDAY, 18 APRIL 2026 (BETTERBALL SCRAMBLE)

The Creston College Golf Day held on Saturday, 18 April 2026 with a brilliant field of 116 players, was nothing short of spectacular.

The atmosphere at the club and on the golf course was electric from start to finish. The Creston College music students entertained the crowd before tee off and it was an amazingly vibrant start to the day.

Local businesses came together and sponsored watering holes adding to the memorable experience and creating lasting relationships with the community. Shaun Wulf took to the stage and ended off the day with his epic beats and the crowd really enjoyed the day overall.

A huge thank you to Creston College for a wonderful golf day and a special thank you to Diana Ringo for her amazing efforts in executing a fantastic and successful golf day for all.

# A WORD FROM OUR GREENKEEPER...

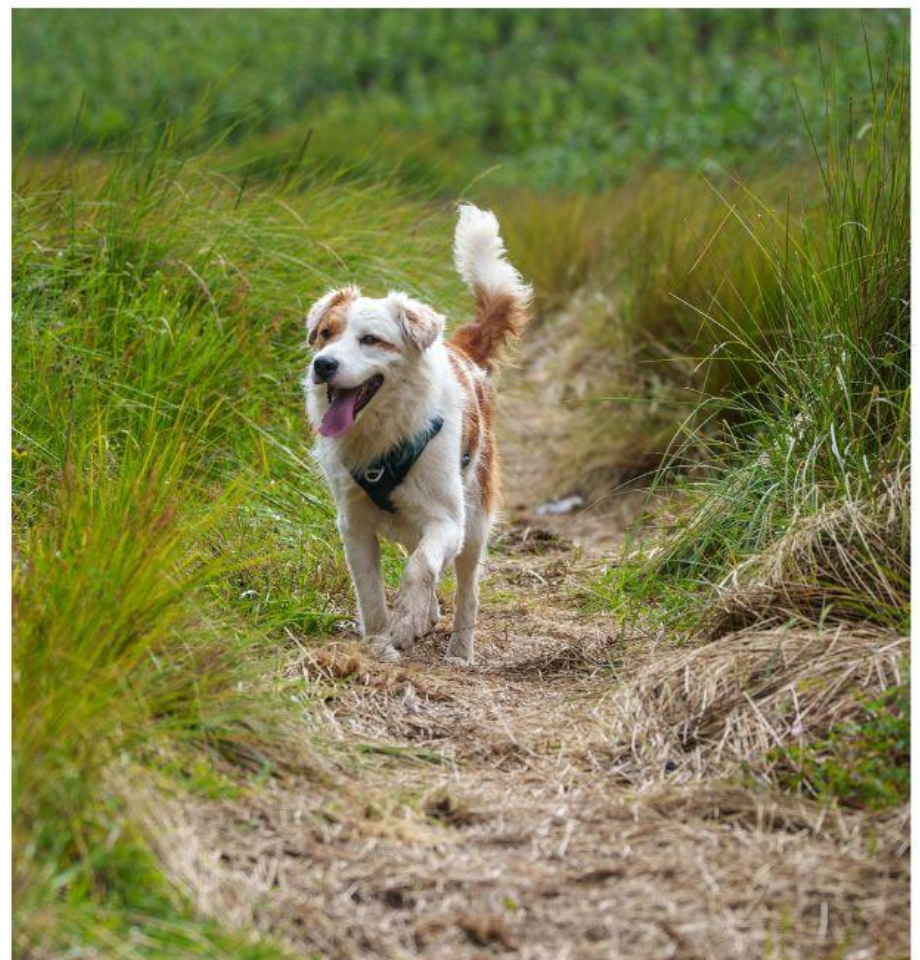

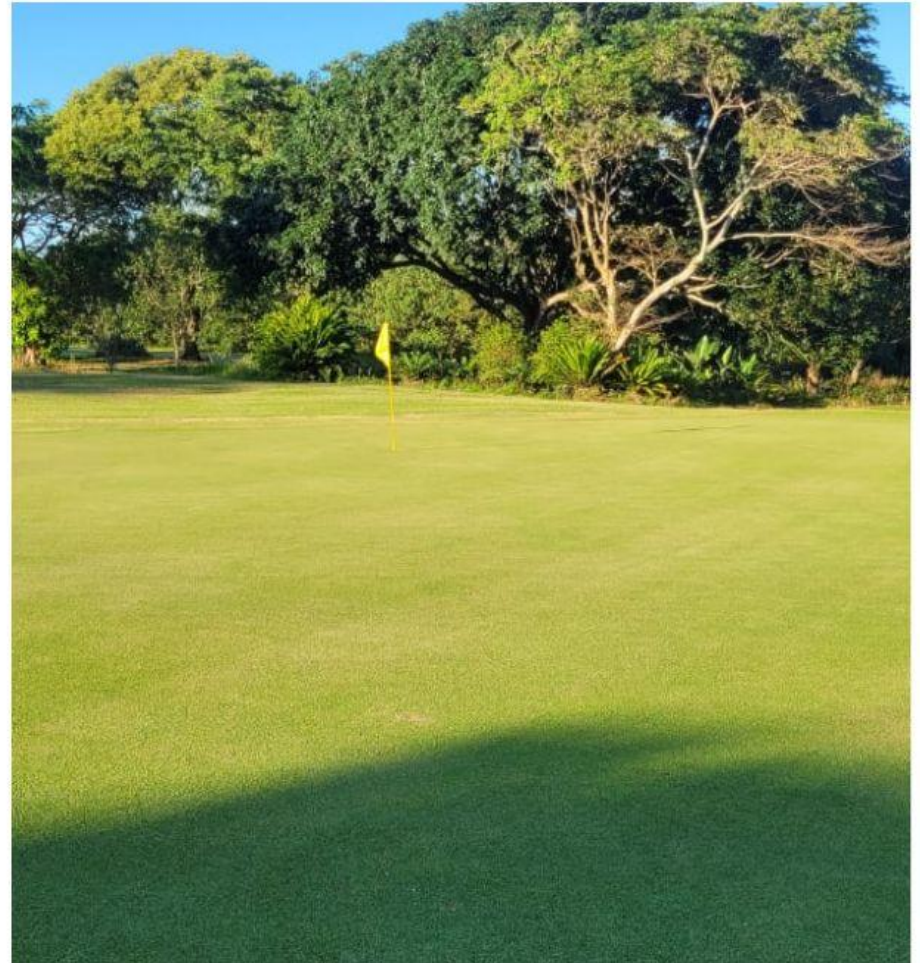

# JESSE VERSTER

Hi everyone. Things are starting to slow down, the weather is changing with very little rain.

We have had some bad luck with our machinery, the bunker machine plus our tee box machine. Harry has been working really hard, even on weekends to try and fix and replace with other motors. A big thank you to Harry, it is not easy with all the old machines we have.

We have finished aerating all the greens again with a 10mm solid tine. The greens are coming on, number 10 has been treated again for the disease, Ground Pearl. It's a long process and I hope and pray we can save that green. Tee boxes have been top dressed and fertilizer has been spread.

We have Club Champs this weekend., we will get the course in great shape and good luck to everyone  
Keep the ball on the short stuff. Play well and enjoy our lovely course...Cheers!

### Please note:

We urge all dog owners to please get rid of your dogs waste by throwing it into the bushes when walking them and not throw it into the rubbish bins provided. Our course staff cleans these bins regularly and we cannot expect them to clean up the dog excrement. Thank you.
