SCILD Academy Golf Day

The South Coast Institute for Learning Development hosted their inaugural golf day at Port Shepstone Country Club this past Saturday with a Betterball Stableford format and it proved to be a resounding success! The event showcased excellent organization, enthusiastic participation by our golfers, and a strong sense of community spirit.

We had a fantastic turnout of 81 players and 5 watering holes, with golfers of all skill levels eager to support SCILD Academy. The competitive yet friendly atmosphere contributed to the day's overall success.

A huge thank you to Paul Geoffery for his wonderful efforts in a very well executed golf day! We had some exceptional scores on the day with our golfers displaying their long drives and clutch putts.

Thank you to all sponsors of the event and to all that contributed to the success of a brilliant day on and off the golf course!
