# CHRISTMAS SECRET SANTA

The staff of Port Shepstone Country Club celebrated their very own Christmas by doing a Secret Santa gift exchange on Christmas Eve. The Secret Santa wasn't just about the presents, it was about strengthening bonds and creating lasting memories. It reminded us of the importance of teamwork and the value of showing appreciation for one another. We extend a sincere thank you to each and every member of our staff for their enthusiastic participation in the Secret Santa event but also for their hard work throughout the year and their dedication to the club. Your team spirit and loyalty are truly appreciated. Thank you for making our club such a wonderful place to be! We are so grateful for our amazing PSCC Team & family!

# WHAT'S COOKING!

We have some great changes to the club for the new year. We want to take a moment to express our sincere gratitude to Tinus Pretorius for stepping in and managing our kitchen & halfway house for the past few months. We truly appreciate your efforts and we wish you all the very best in your future endeavours as we bid farewell to Elco Kitchen.

We are thrilled to announce that the club will be taking over our catering services with Dieter Botha being our head chef for the new year. Dieter comes highly recommended, with a reputation for great food as he has been with us previously.

We are excited about the fresh perspectives and culinary delights he will bring to our meals.

Please join us in extending a warm welcome to Dieter and his team. We look forward to a delicious and successful year ahead!

# A word from our **GREENKEEPER...**

*JESSE VERSTER*

Hi everyone..and a happy new year!

It's really been a bumper season for us on the golf course with lots of people playing. The staff had a tough time trying to cut and keep the course in good nick. We started at 5 in the morning and had to cut till late to catch up with limited staff but we managed.

The greens were good and in general the course is in good nick. We are planning to do spring treatment on the days from the 12<sup>th</sup> to 14<sup>th</sup>. Just bear with us as this has to be done. We will have one nine open then when the other one has to be done we will then open the other. Little bit of sand will be there ..but not for long.

Thank you ..till next time, Cheers!
