**BEEKMAN  
GROUP**

**EMA  
GROUP**

EXECUTIVE MAINTENANCE & ALTERATION  
WHEN PERFECTION IS A NECESSITY.

This past Saturday, Port Shepstone Country Club hosted the Beekman Group VS EMA Group Challenge Cup, a memorable fundraiser that brought together golf, community spirit, and celebration in equal measure. The competition featured a 4 Ball Alliance, 2 scores to count format with a 09:30 shotgun start, creating a competitive yet friendly atmosphere from the first tee to the final putt. A fantastic field of 119 players took to the course, reflecting the outstanding support and enthusiasm behind the day. With 15 sponsored holes and 4 watering holes adding vital backing to the fundraiser, the event was strongly supported by generous local businesses.

Thank you to SAB for joining us on the course and for keeping our golfers refreshed with cold Castle Lites all day long!

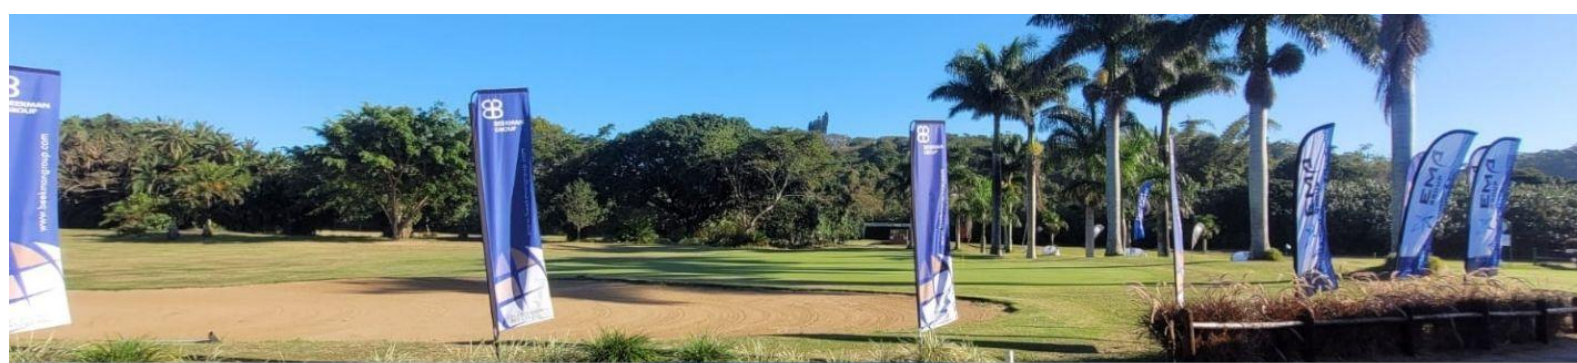

The course buzzed with energy throughout the day as players, sponsors, and supporters contributed to the success of the occasion. The atmosphere on the course was upbeat and energetic, with encouragement and good humour shared across the fairways. Perfect weather conditions added to the enjoyment and allowed everyone to appreciate the course at its best.

The celebration did not end with the final putts, as the day concluded with live music by Johan Potgieter, that lifted the atmosphere even further.

Above all, the event delivered lasting value for the club while creating a memorable experience for everyone involved. It was a fitting reminder that the day was about more than golf alone, it was about community spirit, support and camaraderie with a shared purpose and love for Port Shepstone Country Club!

A special Thank you to John Beekman & Beekman Group together with Rudolf Opperman & EMA Group for their joint efforts in planning and executing a brilliant day at the club. We are extremely grateful for your support and the day was an absolute win for us all!

**A WORD FROM OUR  
GREENKEEPER...**

**JESSE  
VERSTER**

Hi all. Yes, the winter has arrived with very little rain so far. The greens are getting faster, as you all have noticed. We have finished aerating the greens which has really helped. There is no growth now. The grass goes dormant now so now it's just maintaining them with a bit of water now and then because too much water creates diseases. Some of our tee boxes have taken strain so we will be moving them elsewhere to help and to save them. Till next time ...enjoy our lovely course!
